## WORK EXPERIENCE

### ASSISTANT ENGINEER – TELECOMMUNICATIONS

*Banglalink, Grameenphone, Robi, Teletalk | 2021 – 2024*

Working with four of Bangladesh's leading telecom operators, I handled network operations, technical maintenance, and field support to ensure uninterrupted service.

- Managed and maintained telecom network operations, ensuring smooth connectivity and service quality.
- Coordinated with cross-functional teams to troubleshoot and resolve technical issues efficiently.
- Conducted site visits, equipment installation, and performance monitoring to meet operational targets.
- Delivered consistent productivity and exceeded operational KPIs.

### WEB DEVELOPMENT TRAINING

*Completed | 2024*

Successfully completed a comprehensive web development course, gaining strong knowledge and practical skills in:

- HTML, CSS, JavaScript
- React.js & Express.js
- Firebase Authentication & MongoDB database management

During this course, I built and deployed several projects, demonstrating the ability to create responsive, user-friendly, and secure web applications.

### SALES & MARKETING EXECUTIVE – PROJECT BASED

*Daraz, Foodpanda, Unilever | 2018 – 2020*

Worked on short-term sales and marketing campaigns to boost product visibility and revenue.

- Generated high-quality leads for Foodpanda.
- Promoted Unilever products, increasing sales in targeted regions.
- Conducted digital and on-field marketing activities for Daraz campaigns.
